

# Bella Vista Computer Club General Meeting Minutes

## December 11, 2023

The general meeting was held at Highlands Community Center on Monday, December 11, 2023. The meeting was held in the BVCC Training Center, because room 1001 was found to be locked. The cleaning crew was in the building at the time and they had no access either. We later received an explanation that the SE wing of the lower level had been rented and was no longer available. The announcement of that action was only communicated to BVCC via undelivered text messages.

President Joel Ewing called the meeting to order at 7:03 pm. There were 12 people present and 3 on Zoom.

New attendees present were asked to introduce themselves and asked how they had learned of BVCC. The current BVCC Board members and committee chairs who were present were introduced.

Geri Hoerner gave the membership report and reported that the current membership was 145.

There were no corrections to the November General Meeting Minutes as published on our website, so the minutes were ruled approved as published.
